

Where I'm from

I'm am from skateboards
and crab nets,

tag, horseback riding,
and sailing,
baseball,
and track.

I'm am from Gold Rush bubblegum and
Twizzlers.

I'm from *Happy Days* and
Gilligan's Island.

I'm from the TV my dad dropped off the steps, "it still worked"!

I'm from *Little House on the Prairie*
to *Big Red*.

I'm from the old powerboat

on the trailer that snapped in half.

I'm from "like, grody," "hey man, cool".

I'm from the dusty reference books and
law dictionaries.

The places I've been and the places I'll go
this is where I'm from.
