

Where I'm from

I'm from, "What you talkin' bout Willis?"
and people yelling, "Da plane! Da plane!"
I'm from listening to and dreaming about Monkeys band
I'm from Capture the Flag
and playing Life.
I'm from waiting every Sunday for the Garfield and Peanuts comics
ice skating and Score Bars.
I'm from drawing quick doodles of animals and
reading.
I'm from playing soccer and
Battle Ship,
listening to the Beatles band
and watching the Scooby Doo Show on the Sunday cartoons
I'm from wanting to be a Veterinarian
and a Astronauts.

I'm from thinking under the tree,
from Scottish and Irish, German and polish,
but I'm mostly from me.
