

Where I'm From

I am from Tyco racecar track and Scrabble
to play on rainy days.
I'm from go-carts and BB guns, hockey, and swimming,
and tennis, fishing, lacrosse, netball, softball, and skiing.

I'm from Happy Days,
Jacques Cousteau, the great marine biologist,
and Franz Clammer, the greatest skier ever.
I am from "Groovy dude," "that's wicked," and "cool beans!"

I am a mom wanting to be an artist,
to draw beautiful pictures.
I am a dad dreaming to be a marine biologist someday
and to explore the unknown down deep.

Later I would listen to the Beatles
as I ate my Cadbury chocolate.
