

## Where I'm From

I'm from going to the store with a nickel  
and getting candy off the penny shelf.

Baby Ruth Bars,

Chum gum,

and long shoestring licorice.

I'm from biking,

Checkers,

playing kickball, and flashlight tag.

I am from Jackson 5 and Donnie Osmond.

I'm from Nancy Drew to the Hardy Boys,  
playing softball, soccer, and basketball with my friends.

I'm from the Beatles, my dad especially listens to Paul McCartney, and  
trying to go to the NBA.

Living in Maryland my whole life,

going on trips,

I'm the newest leaf on the family tree.
